

Military Sexual Trauma Legal Services

TESSA provides free and 100% confidential legal services for survivors, both men and women, of non-intimate partner sexual assault with a military connection.

TESSA's Attorney and Military Liaison can:

- Secure a Colorado temporary and permanent protection order
- Enforce your rights under Colorado and military victim law
- File for VA Disability Compensation and Medical Coverage
- Access other services for veterans and their families

Speak with a TESSA victim advocate today to explore what options you may have. Our victim advocates are free and confidential.
