#### INDEPENDENT AUDITORS' REPORT

The Board of Directors TESSA Colorado Springs, Colorado

### **Opinion**

We have audited the accompanying financial statements of TESSA (the Organization), a non-profit organization, which comprise the balance sheet as of September 30, 2024, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of September 30, 2024, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

# **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is required to evaluate whether there are conditions or events considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

# **Auditors' Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing an
  opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is
  expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Report on Summarized Comparative Information**

We have previously audited the Organization's 2023 financial statements and we expressed an unmodified opinion on those audited financial statements in our report dated June 24, 2024. In our opinion, the summarized comparative information presented herein as of and for the year ended September 30, 2023, is consistent, in all material respects, with the audited financial statements from which it has been derived.

# **TESSA**

### **NOTES TO FINANCIAL STATEMENTS**

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Nature of Business** — TESSA (the Organization) was incorporated in 1977 in the state of Colorado as the Domestic Violence Prevention Center, Inc. The Organization's purpose is to significantly reduce the cycle of domestic violence and adult sexual assault through education, intervention and treatment. The Organization operates in Colorado Springs, Colorado. Many of the contributions received are from governments, private foundations, organizations and individuals living in El Paso County and surrounding counties.

**Basis of Presentation** — The accompanying financial statements include certain prior-year summarized comparative information in total. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended September 30, 2023, from which the summarized information was derived.

The Organization reports information regarding its financial position and activities according to two classes of net assets:

*Net Assets Without Donor Restrictions:* Net assets available for use in general operations - not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions: Net assets subject to donor-imposed or certain grantor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

**Cash and Cash Equivalents** — The Organization considers all highly liquid investments with a maturity of three months or less at the purchase date to be cash and cash equivalents.

**Investments** — Investments are recorded at fair value, with realized and unrealized gains and losses included as unrestricted revenue in the statement of activities. Donated investments are recorded at fair value on the date of donation. Fair values for mutual funds and money market accounts are determined through quoted market prices. See Note 5 for further information on the fair value of investments.

**Contributions** — Gifts of cash and other assets received are recorded as net assets without donor restrictions or net assets with donor restrictions depending on the existence or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized.

All other donor-restricted support is reported as an increase in net assets with donor restrictions depending on the nature of the restriction. When a donor restriction is met, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Unconditional gifts expected to be collected within one year are reported at their net realizable value. Unconditional gifts expected to be collected in future years are reported at the present value of estimated future cash flows. The resulting discount is amortized and is reported as contribution revenue.

**Grants and Pledges Receivable** — Grants and pledges receivable are considered by management to be fully collectible and, accordingly, no allowance for doubtful accounts is considered necessary. As of September 30, 2024, payments on unconditional grants and pledges are expected to be received in the next twelve months.

**Property and Equipment** — All acquisitions of property and equipment in excess of \$5,000 and all expenditures for repairs, maintenance, renewals, and betterments that materially prolong the useful lives of assets are capitalized. Property and equipment are depreciated over the estimated useful lives of the assets on a straight-line basis. Property and equipment are recorded at cost, and donated property is recorded at fair value at the date of the gift.

Income Taxes — The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a)(2). The Organization believes that it does not have any uncertain tax positions that are material to the financial statements.

**Government Grants** — Support funded by grants is recognized as the Organization performs the contracted services or incurs eligible expenditures for reimbursement under the grant agreements. Grant activities and outlays are subject to audit and acceptance by the granting agency and, as a result of such audit, adjustments could be required. The Organization is electing the simultaneous release option practical expedient to allow donor-restricted conditional grants that are recognized and used within the same reporting period as if they were unrestricted, without having to the change the reporting of donor-restricted activity. The Organization had a conditional promise of \$2,216,959 and \$2,724,178 at September 30, 2024 and 2023, respectively, representing federal award grants to be recognized as the Organization incurs outlays eligible for reimbursement under the grant agreements.

**Donated Services and Materials** — Donated services and materials are recorded as both a revenue and expenditure in the accompanying statement of activities and changes in net assets at their estimated values.

Contributions of services are recognized if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donations.

**Use of Estimates** — The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure

of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenses, gains, losses and other changes in net assets during the reporting period. Actual results could differ from those estimates.

**Subsequent Events** — The Organization has evaluated subsequent events for recognition or disclosure through the date of the Independent Auditors' Report, which is the date the financial statements were available for issuance.

# 2. LIQUIDITY AND AVAILABILITY

The following table reflects the Organization's financial assets as of September 30, 2024 and 2023, reduced by amounts that are not available to meet general expenditures within one year of the statement of financial position date because of donor restrictions. Amounts not available to meet general expenditures within one year include net assets with donor restrictions.

|  | 202     | <b>:4</b>                              | 2023                            |
|--|---------|--|---------------------------------|
| Cash and cash equivalents Investments Grants and pledges receivable  | 1,67    | 14,204 \$<br>79,750<br><u>79,560</u> _ | 225,013<br>1,705,069<br>469,811 |
| Total  | 2,30    | 3,514                                  | 2,399,893                       |
| Less amounts unavailable for general expenditures within one year, due to: Restricted by donors with time restrictions |         | ( <u>9,338</u> ) _                     | (11,250)                        |
| Total  | \$ 2,29 | 94,17 <u>6</u> \$                      | 2,388,643                       |

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due.

# 3. FUNCTIONAL EXPENSES ALLOCATION METHODS

The financial statements report certain categories of expenses that are attributable to one or more program or supporting services of the Organization. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include rent, salaries and benefits, which are allocated on the basis of usage, square footage or estimates of time and effort.

### 4. PLEDGE RECEIVABLE FOR USE OF PROPERTY

Effective October 1, 2012, the Organization entered into a one-year lease agreement for the use of the office and operating facilities for annual rental payments of \$1. The lease is renewable annually for up to 20 one-year periods. For each of the years ended September 30, 2024 and 2023, the Organization recognized contribution revenue and rent expense of \$319,913 and \$253,333, respectively, associated with the below market rates.

#### 5. INVESTMENTS AND FAIR VALUE MEASUREMENTS

The Organization is required to use a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities that the Organization has the ability to access.

Level 2: Prices determined using significant other observable inputs. Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Prices determined using significant unobservable inputs.

The investment's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level, within the fair value hierarchy, the Organization's investments at fair value as of September 30:

| 2024:   | Fair Value |   | M  | Quoted<br>les in Active<br>larkets for<br>ntical Assets<br>(Level 1) | Signif<br>Oth<br>Obser<br>Inp<br>(Lev | ner<br>vable<br>uts | Significant<br>Unobservable<br>Inputs<br>(Level 3) |
|---|------------|---|----|--|---------------------------------------|---------------------|--|

# 7. NET ASSETS WITH DONOR RESTRICTIONS

Net assets of \$9,338 and \$11,250 were restricted by time restrictions as of September 30, 2024 and 2023, respectively.

# 8. **CONTRIBUTIONS – NON-FINANCIAL ASSETS**

Contributions of non-financial assets consist of the following for the years ended December 31:

|  | -         | Revenue<br>ecognized | Utilization in<br>Programs /<br>Activities | Donor<br>Restriction | Valuation<br>Techniques /<br>Inputs    |
|--|-----------|----------------------|--|----------------------|--|
| <b>2024:</b> Donated rent Donated services | \$        | 319,913<br>248,740   | Administrative<br>Program services         | None<br>None         | Fair market value<br>Fair market value |
| Total                                      | \$        | 568,653              |  |                      |  |
| <b>2023:</b> Donated rent Donated services | \$        | 253,333<br>194,212   | Administrative<br>Program services         | None<br>None         | Fair market value<br>Fair market value |
| Total                                      | <u>\$</u> | 447,545              |  |                      |  |

### 8. GRANT CONTINGENCIES

Federal grants require the fulfillment of certain conditions as set forth in the instrument of the grant. Failure to fulfill these conditions could result in the disallowance of certain expenditures. Management anticipates no disallowances of expenditures.

### 9. **CONCENTRATIONS**

The Organization maintains its cash and cash equivalents in bank deposit accounts in which the deposits are guaranteed by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At September 30, 2024, the Organization's bank accounts exceeded FDIC limits by approximately \$94,204.

Contracts with the federal and state government provided the Organization with approximately 48% and 41% of the Organization's revenue for each of the years ended September 30, 2024 and 2023, respectively.

As of September 30, 2024 and 2023, 97% and 98%, respectively, of the Organization's grants and pledges receivable was due under these grants.
